FOIA Tracking #: 2019-18

Dear Mr. Amicone:

This letter concerns your Freedom of Information Act (FOIA) request dated 10/24/2019, and received in this Office on 10/24/2019, for records pertaining to biographical data of Joseph Bevilacqua. This response is made on behalf of the American Battle Monuments Commission.

Specifically, you requested:

- “Joseph Bevilacqua’s Biographical Data Sheet (attached file) without censorship. I ask the ABMC to remove not all the censorship from the Bevilacqua’s bio, but only the censorship on:
 1. “Prior government agencies”, because FOIA allows the information “Past and present agencies” to be released to the public;
 2. The location of the American Cemetery of Sicily-Rome, because it is an open information.”

Please be advised that a search has been conducted within the agency of paper and digital records. I have determined 1 page of material is appropriate for release without excision and a copy is enclosed.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

I trust that this information fully satisfies your request. If you need any further assistance or would like to discuss any aspect of your request please do not hesitate to contact our FOIA Public Liaison, Jennifer Li, at (703) 696-6781.
